OFFICE OF LEGISLATIVE COUNSEL

Thursday - 15 February 1962

25X1 1. ([] - JSW) Talked with Carl Marcy (based on the assumption that Mr. McCone probably was unable to reach Senator Fulbright since he was out of town) in connection with the Powers matter. I explained to Marcy that of course debriefings were going on in which agencies other than this one were interested and that, of course, there will be a Board of Inquiry. This will take some days but at their conclusion we wanted Senator Fulbright and the Acting Chairman, Senator Sparkman, to be assured that the information they desired would certainly be made available. Marcy stated that the Acting Chairman had addressed a letter to the Secretary of State on this asking for information but not for the body. To date they have not yet received a reply. Mr. Marcy thanked me for my call.

25X1 2. ([] - JSW) Talked with Robert E. Lee in Department of State Congressional Relations about a query to the Department from the office of Representative Omar Burleson concerning the []. I stated his policy people had been in touch with our people and stated they discussed this matter with Lee. Lee was unaware of it and I told him to sit on it and I would see that it was brought to his attention. [] has been advised. 25X1

25X1 3. ([] - GLC) Met with Mrs. Keefe, in the office of Senator George A. Smathers, and returned to her a letter from []. This letter had been referred to us on an information basis and it was returned without comment. 25X1

25X1 6. [REDACTED] - GLC) Met with David Martin, in the office
of Senator Thomas J. Dodd, and told him that our people [REDACTED]
25X1 had advised us that Martin and the Senator had sent them a very nice
letter referring to their contacts with them during the Senator's trip
to the [REDACTED] 25X1 Martin again repeated that [REDACTED]
certainly rated A-Plus in his estimation and this was generally true
of all the CIA people with whom they had contact. Martin mentioned
that Senator Dodd was still interested in meeting with Mr. McCone
but added that the Senator's schedule was quite full with a number of
speeches. I suggested to Martin that when he could settle on an
appropriate date, he get in touch with us on this and added that I
knew Mr. McCone was still interested in seeing the Senator.
